Love Match

It was supposed to be an intimate wedding for 70 people, but Stefan Edberg's April 18 marriage to Annette Olsen turned into a municipal celebration in their hometown of Vaxjo, Sweden. There wasn't a hotel room to be found as fans descended upon the town. Nearly 600 of them were allowed to squeeze into the church among what were mostly relatives of the pair. A private reception was held later at a nearby castle. ●
